#### **Veterinary conditions:**

- all dogs must be clinically healthy. Sick or injured dogs will be excluded from the trials.
- all dogs must have an international certificate of vaccination (Pet passport), with a record that the particular dog has been vaccinated against rabies from a period of 30 days to one year before the event and has been immunized against canine distemper, parvovirus and leptospirosis.
- dogs from EU member states and third countries must have a valid Pet passport for little animals and must meet the conditions given by the valid EU directives.

#### **General conditions:**

- Trials are held in all weather conditions.
- Trials are held in accordance with international rules F.C.I. -Field trials for British and Continental pointing dogs.
- the dog leader (competitor) must present the dogs pedigree, a valid PET Passport with a valid rabies vaccination entry.
- a dog whose owner/leader cannot present valid documents and PET passport will not be admitted to the trials.
- Judges will be delegated by ČMKJ.
- the organiser is not responsible for the accidental death or loss of dog, nor is the organiser responsible for damage caused by any participants or their dogs.
